American Propeller Service  
20208 Charlanne Drive  
Redding, California 96002

Dear Kerry:

Hartzell Propeller, Inc. is pleased to formally recognize American Propeller Service as a member of the Hartzell Recommend Repair Facility Network. In order to obtain this status, a propeller repair station must be fully equipped and trained on Hartzell products, perform specialized processes, and demonstrate very high quality standards. Only 23 facilities worldwide currently hold this endorsement.

American Propeller Service is a highly professional and valued network member, and demonstrates top quality standards in Hartzell propeller overhaul and repair. American Propeller Service has many years of experience maintaining Hartzell propellers and components.

Having passed rigorous audits by Hartzell personnel, American Propeller Service strictly follows Hartzell requirements for tooling, systems, and procedures, including formal Hartzell factory training and special process certifications.

American Propeller Service also supports our customers as a Warranty Center. Partnering closely with the Hartzell factory, American Propeller Service receives preferred technical and parts support on warranty issues. This relationship ensures that Hartzell customers receive the highest quality warranty repair work, processed in the shortest possible time.

Hartzell strongly encourages our customers to use the Hartzell Network facilities for their propeller repair and overhaul needs. As a member of this network, American Propeller Service offers the highest quality propeller overhaul and repair work available today, reflecting Hartzell's strong customer commitment and our reputation of "Built on Honor".

Sincerely,

Dean Ward  
Director – Global Product Support
